CELEBRATE 225 YEARS OF AMERICAN FREEDOM
In 1975-76, a proud exhibition of American historical and cultural artifacts toured the country. What made this Bicentennial celebration so special was where it was housed: in the 23-car-long American Freedom Train. The Freedom Train criss-crossed the U.S. with its patriotic cargo, letting Americans celebrate our heritage at every stop.

Among the Americana exhibited in the Freedom Train were everything from a piece of the original "Star Spangled Banner" flag from Fort McHenry and Thomas Payne's 1776 edition of "Common Sense" to Jesse Owens' Olympic medals and Bing Crosby's gold record of "White Christmas."

M.T.H. celebrates the 225th birthday of our country and the 25th anniversary of the Freedom Train with beautiful O Scale models of two engines in their liberty-loving livery and a set of 5 streamlined passenger cars emblazoned with the Freedom Train colors, all in the Premier line.
