THE VERANDA RESORTS HOTELS PARTNER WITH DODO CAFÉ BRAND

This year, the festive season at Veranda Resorts is about sharing!

From next month, customers will have the opportunity to taste the “Mo Kafé” blend, specially designed by Dodo Café for the Veranda Resorts hotels.

This unique blend made of Arabica, Robusta and Moka will now be served in all the hotels and customers will also return home with the same coffee beans for sale in the Blue Earth shops. In addition, a new experience will be offered each week to introduce customers to the art of Mauritian coffee. Guided by a barista, participants will test their creativity around a Latte Art workshop focused on the technique to make a beautiful milk foam.

THE COOKING CLASS, AN UNDENIABLE CLASSIC EXPERIENCE

Some customer experiences cannot be replaced. Among them, the cooking class remains a Must for the tourists willing to test their culinary talent. Guided by the chef, the participants, dressed in an apron and a cook apprentice's hat, have to make a Mauritian dish that they then proudly eat for lunch.
