A 4-HANDED DINNER AT HERITAGE LE CHÂTEAU

The 2nd of October, a relishing dinner was organised with the talented French Chefs Christophe Muller and Gilles Reinhardt, who were both elected "Best Craftsman in France". This wine pairing dinner that was held in the sumptuous decor of Heritage Le Château, was accompanied by French wines and local products for a delightful blend of flavours!

A big thanks to the chefs for delighting the taste buds of our guests!

THE SPLENDID MAKEOVER OF SAVANA AT HERITAGE AWALI

Discover the superb relooking of Savana, the main restaurant of Heritage Awali. With a wonderful view over the lagoon of Bel Ombre, this contemporary restaurant with a slight African touch offers to the guests an international cuisine through an extensive buffet. The ideal setting for a delicious culinary voyage through varied cuisine themes in the evening.

Congratulations for this great makeover !

NEW ECO-FRIENDLY SUN CREAMS FOR SALE AT THE BLUE EARTH SHOPS

Heritage Resorts is already engaged in an eco-friendly initiative with the suppression of plastic straws. To reinforce this approach and better protect our lagoons, more precisely the coral reefs which are key to a healthy and prolific marine eco system, two new cream brands, "Reef Safe" et "Skin protect", are now proposed to our clients in the Blue Earth shops.

The benefits of these creams are multiple for the environment but also for the skin; made out of natural ingredients, paraben free, mineral sunscreen with zinc for Sinko, biodegradable within 90 days, nontoxic for sea life, UVA and UVB protection for Reef Safe. Both are also water resistant for a stress-free day at the beach.
